

## Taurus Solar Bollard

Aluminium powdercoated to a satin grey or black finish

## Solar Lighting Designs

### Features

- Commercial grade solar lighting
- Requires 10 - 12 hrs charge prior to use
- 10 - 12 hours light output per night
- High quality inbuilt lithium battery
- Attractive modern design
- Ideal for illuminating paths and walkways
- Automatic light sensor turns LEDs on and off for dusk to dawn operation
- Warranty: 3 year warranty for faulty workmanship or component failure not influenced by external means

### Specifications SOLB005

- |                |                          |                    |                                     |
|----------------|--------------------------|--------------------|-------------------------------------|
| • Colour       | Powdercoat black or grey | • Solar Panel      | 9V 2.5watts                         |
| • Charge Time  | 4 - 6 hours              | • Solar Panel Size | 130H x 110Wmm                       |
| • CCT          | 4000K (cool white)       | • Light Source     | 12 high intensity LEDs              |
| • Bollard Size | 250H x 240Wmm (base)     | • Battery          | 6.4V/4.5mah inbuilt lithium battery |
| • Brightness   | Approx. 200 lumen output | • Material         | Aluminium, polycarbonate diffuser   |

### What is a Lumen?

In simple terms, Lumens are a measure of the total amount of visible light from a lamp or light source. The higher the lumen rating, the "brighter" the lamp will appear.

### How does this compare with other light sources?

- Familiar examples
- A typical 4 x D cell battery maglite will emit approx. 70 lumens
  - The average hardware style path light using 2-3 LEDs emits 15-18 lumens
  - A 25W incandescent globe emits approximately 160 lumens

- Solar panel with light sensors

- Clear polycarbonate diffuser

- 12 High intensity LEDs

- Approx. 200 lumen output

- Built-in lithium battery

- Concealed on/off button

- Bolt-down installation

Also available in black

3 x concealed fixing points

Solar panel including light sensor
